

NEW ENGLAND TREADS

Hi! We're Neil and Jennifer

We wanted to let you in on some exciting news - *New England Treads* is now under new ownership!

New England Treads has been creating custom millwork for over 10 years and has experienced incredible growth as a company. Through Bill and Tara

Benson's strong ties with local community, they were able to take New England Treads to the next level – and the business continues to grow.

We wanted to take this opportunity to thank you for putting your trust in New England Treads over the last 10 years and bringing us to where we are today. The team remains dedicated to providing exceptional custom millwork to the greater New England area. Our commitment is stronger than ever during this exciting time.

Keep an eye out! Over the next few months we will be introducing our brand, unveiling our new website, and introducing new product lines. We look forward to providing you with the level of quality craftsmanship that you have come to expect from New England Treads.
